

Celtic Sisters Reviews

“This amazing musical group played for the Mansfield Arts Festival this year. They are so talented and also have great chemistry as they perform. Maybe it's because they're family or maybe it's because they are so professional. Either way, I would recommend having them perform for any event! Thank you ladies for helping us make our Festival amazing! *Victoria H.*

“What a blessing to have the Celtic Sisters join us for worship at First English. Their musical talent is outstanding, the presentation is professional, and the enjoyment they have playing with one another is evident in their faces! Can't wait to have them back again soon!” *Becky P.*

“Wonderful music played by talented musicians. I first saw them in 2008 at The Great Lakes Medieval Faire. You can feel the joy they have of playing music with each other and sharing that with an audience. Excellent voices and harmony. Top notch material. HIGHLY RECOMMENDED.” *Jim G.*
